Хлебоприломение

С Днём Рождения!

Ангелина Я.

Я хочу порадовать тебя,
Но не знаю, как это мне удастся.
Это ж нужно сколько понимать,
Чтоб до сердца чьего-то добраться!
Для кого-то множество даров
Ценности большой не представляют,
А кого-то пара добрых слов
Радостью небесной озаряют.
Только где найти мне слово это,
Чтоб ко дню рожденья подоспев,
Принесло тебе кусочек света?!
Знаешь что? Ведь если муравей
Для чего-то нужен на планете,
То, наверное, каждый из людей
не случайный гость на белом свете.
Мы нужны, ты чувствуешь?
Нужны! Ты, и я, и каждое творенье,
Хоть и не всегда, быть может, мы
Разумею наше назначенье.
И, не будь, наверное, тебя,
Хоть фигура ты и не большая,
Мир бы сердцем чувствовал, скорбя:
Во вселенной что-то не хватает...
Слава Богу, что среди людей,
Ныне существующих на свете,
Есть и ты, и чуточку светлей
Оттого сегодня на планете!

I had fun! Sitting by the campfire and gazing at the sky full of stars was awesome! Our group hike at first was hard to keep up, but at the end turned out to be really fun. We got to the highest point on the mountain and from there we could see the forest and the lake. Sleeping in tents and getting up early to do exercises and eat breakfast together was cool! A lot of interesting subjects were discussed by the campfire that turned my attention more to God that He gives us rules because He doesn't want us to get hurt and He doesn't want us to do anything that displeases Him. It was awesome! A very good experience for the summer camp!! Thanks for everybody who played a part in having this camp for us!!

I had fun. I loved the games we played. I also enjoyed the gatherings by the campfire and listening to the word of God.

It was fun!

I had a pleasant time. Wished we stayed longer. I learned more about peer pressure and how to deal with it. Food was good, gained five pounds. I'll get the girls back next year.

It was good camp where we could meet and spend time with new friends. We had a lot of fun, as always - where there's youth there's fun. Of course, I wanted this camp to be more spiritual one then it turned out, but that's the side we should always work on. Over all, I'm glad. Thanks to God for His help.

It was fun!

It was an interesting camp this year. A different experience, but it was fun. The hike was the best part, besides sitting around the campfire with youth. God definitely blessed us, and there will be things to remember and learn from. Thanks to our youth leader Dima and everyone who helped to make this summer camp an enjoyable experience!!!

This was my first time going on a youth camp and I really liked it!!! This camp was teaching, interesting and fun! The best part of the camp was our gathering next to the fire, I've learned more about God's love, about peer pressure and ways to deal with it.

The other best part of the camp was the hike, even when my legs hurt. It was my first time going on a hike and it was the best one!!! I really want to thank Dima for all the effort he

put in for the camp and I can't wait for the next year's camp!!!

It was fun, I loved it bro!

I really liked the time we had together in the woods...Made new friends, had great time, served well in the kitchen;) I especially liked that I could not only be the cook, but be with the group and do the activities too. The youth was really helpful and cheerful so that we all had a great atmosphere. Looking forward for the next year.

I had fun!

Honestly, I liked the camp. We talked on differed important subjects by the camp fire. Youth asked questions and together we answered them. I noticed that youth knows the Word of God. When American teenagers came they were telling them about God, Jesus Christ and how to live a pure life, and I was pleasantly surprised. Thank God for that. Wishing for youth to be more on fire for God and serve Him in Church. God bless you youth. MARANATHA!!!
